Re - the estimate for Rs 18,000/- sanctioned for forming sites at Kesare Block, N R Mohalla, Mysore

---

With reference to Government Order No L 12742-4/Ml 38-47-50 dated the 22nd January 1948, sanctioning the above estimate with certain observations, I have the honour to state as follows -

2 All the works are now being entrusted for execution only after calling for quotations The works are entrusted to a single contractor quoting the lowest amount for the whole work, or to more than one piece work at the lowest of the quotations received for each individual item of work and after the Board's approval is accorded to the estimate

3 There is no regular schedule of rate sanctioned year after year in this Trust Board, reflecting the prevailing conditions Hence the question of paying rates above or below the schedule rate does not arise, as the rates to be paid are decided on the lowest quoted rates

4 For the speedy execution of works, it will some-times be necessary to adopt the piece work system also, this system of execution of works is also provided for in the P W Code particularly when suitable action is taken to fix the rates on the lowest quotation rates received

I have the honour to be,
